THE VIRGINIA BOND KORDA TEXTILE COLLECTION (PART I)

VIRGINIA BOND KORDA (1947-2022)

Biography written by Virginia in 2021

Born in Pinner, Northwest London, I started out with a Fine Art Teaching degree and spent several years teaching art in the UK and in developing countries. Whilst living in the Middle East, I came upon three small printing blocks tossed aside in Manama souk. These objects intrigued me and inspired me to go to India and find out more. This trip was breath-taking; the creativity, vibrancy and extraordinary resourcefulness of the people, creating beauty combined with functionality from scraps of the simplest materials in the environment, was overwhelming. I left India feeling exhilarated but strangely inadequate and the trip precipitated me to retrain in textiles. I took a course at Froebel College (then part of London University) and completed a B.Ed. Textiles degree and subsequently spent some time as a lecturer at Froebel and at the Roehampton Institute. I was then employed by the Seychelles government for two years to train young people in producing printed textiles. After this I embarked on a series of expeditions across North East Africa and South East Asia researching textile production and collecting samples.

In 1991 I formed my own business 'Virginia Bond Textiles' set up for the study and dissemination of knowledge of traditional ethnographic textiles - vegetable dyeing, block printing, tie resist, spinning and weaving, ikats, appliqués and batiks. I spent half the year travelling to remote minority groups researching techniques and traditions and collecting, and the rest of the year offering a resource in the form of lectures and selling exhibitions for museums and art schools, as well as supplying specialist retail outlets, and sourcing for collectors including Sir Robert and Lisa Sainsbury.

In 1995 I attempted to retrace the footsteps of my ancestor, Mungo Park, the famous Scottish explorer who embarked on his first expedition 200 years previously, commissioned by the Royal Society to ascertain the course of the river Niger. In Timbuktu, which was on his route, I was fortunate to meet many Tuareg people and learnt how they made their indigo cloth (turbans and veils) shine.

I continued with the business but wanted to find out more about traditions and social structure in small scale societies so decided to take a master's degree at the Sainsbury Research Unit (UEA) in 'The Anthropology of the Arts of Africa, Oceania and the Americas'. I then became an anthropology/development consultant, particularly working with income generation for women, for organisations including the United Nations (UNESCO, UNCTAD), European Union, Asian Development Bank and British Council across a wide range of countries throughout Africa, South East Asia and Central Asia. I continued building my collection during these projects and once a year I also did charitable work for BESO (British Executive Service Overseas).

All this means that I have a large and unique collection of ethnographic textiles and artefacts representing a lifetime passion built up over the last 35 years.

LOT SYMBOLS

VAT

Lots marked with an dagger (†) are subject to VAT on the hammer price. Lots marked with an omega (Ω) have been temporarily imported from outside the EU and are subject to VAT at 5% on the hammer price and the buyer's premium. In online catalogues, the Sales Tax % column indicates the rate of VAT on hammer price.

CITES REGULATIONS

Please note that lots marked λ may be subject to CITES Regulations when exported.

The CITES Regulations may be found at www.defra.gov.uk/ahvla-en/imports-exports/cites/

ARTIST'S RESALE RIGHT / DROIT DE SUITE

Lots marked with a ‡ symbol are potentially subject to a levy.

Droit de Suite is a royalty payable to a qualifying artist or the artist's heirs each time a work is resold during the artist's lifetime and up to a period of 70 years after the artist's death.

Royalties are calculated on a sliding percentage scale based on the hammer price excluding the buyer's premium. The royalty does not apply to lots selling below the sterling equivalent of €1,000 and the maximum royalty payable on any single lot is the sterling equivalent of €10,000.

Droit de Suite, which is not subject to VAT, will be added to the buyer's purchase price and then passed on to the relevant collecting agency.

Please enquire for the accepted exchange rate on the day of the sale.

Royalties for Droit de Suite are as follows:

4%	Up to €50,000
3%	€50,000.01 - 200,000
1%	€200,000.01 - 350,000
0.5%	€350,000.01 - 500,000
0.25%	In excess of €500,000
Up to a maximum levy of €10,000	

FIREARMS

Lots marked F in the catalogue, or by any other means identified as controlled firearms, are subject to the UK firearms/shotgun licencing regime, and should only be viewed/purchased by individuals with appropriate licences. It is the responsibility of the bidders to ensure that they are legally authorised to acquire the lot that they are bidding for. In the event that such a lot is successfully bid for by an individual who is not authorised to possess it, that individual will be required to pay for it, but are not allowed to take physical possession of it. The auctioneers will re-offer the lot on behalf of the buyer in a future auction; or may accept instructions to dispose of it by some other legal means, at their discretion.

SOCIETY OF FINE ART AUCTIONEERS AND VALUERS
and the ROYAL INSTITUTION OF CHARTERED SURVEYORS
CONDITIONS OF BUSINESS

INFORMATION FOR BUYERS

1. **Introduction.** The following informative notes are intended to assist Buyers, particularly those inexperienced or new to our salerooms. All sales are conducted on our printed Conditions of Sale which are readily available for inspection and normally accompany catalogues. Our staff will be happy to help you if there is anything you do not fully understand.
2. **Agency.** As auctioneers we usually contract as agents for the seller whose identity, for reasons of confidentiality, is not normally disclosed. Accordingly if you buy your primary contract is with the seller.
3. **Estimates.** Estimates are designed to help buyers gauge what sort of sum might be involved for the purchase of a particular lot. The lower estimate may represent the reserve price and certainly will not be below it. Estimates do not include the Buyer's Premium or VAT (where chargeable). Estimates are prepared some time before the sale and may be altered by announcement before the sale. They are in no sense definitive.
4. **The purchase price.**
The Buyer shall pay the hammer price together with a premium thereon of 25% plus VAT @20% (totalling 30% inclusive) on the first £500,000 and 12% plus VAT @20% (14.4% inclusive) thereafter.
5. **VAT. (†)** indicates that VAT at the current standard rate is payable by the purchaser on the hammer price as well as being an element in the buyer's premium. This imposition of VAT is likely to be because the seller is registered for VAT within the European Union and is not operating the Dealers Margin Scheme or because VAT is due at 20% on importation into the UK. The omega symbol (Ω) indicates that the lot has been imported from outside the European Union and the present position is that these lots are liable to a reduced rate of VAT (5%) on the gross lot price (i.e. both the hammer price and the buyer's premium). Lots which appear without either of the above symbols indicate that no VAT is payable on the hammer price. This is because such lots are sold using the Auctioneers' Margin Scheme and it should be noted that the VAT included within the Premium is not recoverable as input tax. (As at 31st December 2020. Please refer to SOFAA website for updates to the Terms and Conditions).
6. We are, primarily, agents for the seller. We are dependent on information provided by the seller and whilst we may inspect lots and act reasonably in taking a general view about them we are normally unable to carry out a detailed or any examination of lots in order to ascertain their condition in the way in which it would be wise for a buyer to do. Intending buyers have ample opportunity for inspection of goods and, therefore, accept responsibility for inspecting and investigating lots in which they may be interested. Please note carefully the exclusion of liability for the condition of lots contained in the Conditions of Sale. Neither the seller nor we, as the auctioneers, accept any responsibility for their condition. In particular, mechanical objects of any age are not guaranteed to be in working order. However, in so far as we have examined the goods and make a representation about their condition, we shall be liable for any defect which that examination ought to have revealed to the auctioneer but which would not have been revealed to the buyer had the buyer examined the goods. Additionally, in specified circumstances lots misdescribed because they are 'deliberate forgeries' may be returned and repayment made. There is a 3 week time limit. (The expression 'deliberate forgery' is defined in our Conditions of Sale).
7. **Electrical goods.** These are sold as 'antiques' only and if bought for use must be checked over for compliance with safety regulations by a qualified electrician first.
8. **Export of goods.** Buyers intending to export goods should ascertain (a) whether an export licence is required for the goods to leave the U.K. and (b) whether there is any specific prohibition on importing the goods in question into the destination country because, e.g. they may contain prohibited materials such as ivory. Charges may be applicable for export licences. Ask us if you need help.

The denial of any permit or licence shall not justify cancellation or rescission of the sale contract or any delay in payment.
9. **Bidding.** Bidders will be required to register before the sale commences and lots will be invoiced to the name and address on the registration form. Some form of identification will be required if you are unknown to us. Please enquire in advance about our arrangements for telephone bidding.
10. **Commission bidding.** Commission bids may be left with the auctioneers indicating the maximum amount to be bid excluding buyers' premium. They will be executed as cheaply as possible having regard to the reserve (if any) and competing bids. If two buyers submit identical commission bids the auctioneers may prefer the first bid received. Please enquire in advance about our arrangements for the leaving of commission bids by telephone or fax.
11. **Methods of Payment.** As a general rule any cheques tendered will need to be cleared before removal of the goods is permitted. Please discuss with our Office in advance of the sale if other methods of payment are envisaged (except cash).
12. **Collection and storage.** Please note what the Conditions of Sale state about collection and storage. It is important that goods are paid for and collected promptly. Any delay may involve the buyer in paying storage charges.

TERMS OF CONSIGNMENT FOR SELLERS

1. **Interpretation.** In these Terms the words 'you', 'yours', etc. refer to the Seller and if the consignment of goods to us is made by an agent we assume that the Seller has authorised the consignment and that the consignor has the Seller's authority to contract. Similarly the words 'we', 'us', etc. refer to the Auctioneers.
 2. **Commission** is charged to sellers at the following rates: 15% + VAT on each lot sold for up to £999, 10% + VAT on each lot realising £1,000 and above.
 3. **Removal costs.** Items for sale must be consigned to the sale room by any stated deadline and at your expense. We may be able to assist you with this process but any liability incurred to a carrier for haulage charges is solely your responsibility.
 4. **Loss and damage waiver.** We are not regulated by the FSA for the provision of insurance to clients. However, we for our own protection assume liability for property consigned to us at lower pre-sale estimate. To justify accepting liability, we make a charge of 1.5% of the hammer price plus VAT or, if unsold, our mid estimate of the hammer price. If the owner of goods consigned instructs us in writing not to take such action, they then remain at owner's risk unless and until the property in them passes to the Buyer or they are collected by or on behalf of the owner, and clause 4 is inapplicable.
 5. **Illustrations.** The cost of any illustrations is borne by you. If we consider that the lot should be illustrated your permission will usually be asked first. The copyright in respect of such illustrations shall be the property of us, the auctioneers, as is the text of the catalogue.
 6. **Minimum bids and our discretion.** Goods may be offered subject to a reserve agreed between us before the sale in accordance with clause 7.
 7. We may sell lots below the reserve provided we account to you for the same sale proceeds as you would have received had the reserve been the hammer price. If you specifically give us 'discretion' we may accept a bid of up to 10% below the formal reserve.
- Reserves.**
- (a) You are entitled to place prior to the auction a reserve on any lot consigned, being the minimum hammer price at which that lot may be sold. Reserves must be reasonable and we may decline to offer goods which in our opinion would be subject to an unreasonably high reserve (in which case goods carry the storage and insurance charges stipulated in these Terms of Consignment).
 - (b) A reserve once set cannot be changed except with our consent.
 - (c) Where a reserve has been placed only we may bid on your behalf and only up to the reserve (if any) and you may in no circumstances bid personally.
8. **Electrical items.** These are subject to detailed statutory safety controls. Where such items are accepted for sale you accept responsibility for the cost of testing by external contractors. Goods not certified as safe by an electrician (unless antiques) will not be accepted for sale. They must be removed at your expense on your being notified. We reserve the right to dispose of unsafe goods as refuse, at your expense.
 9. **Soft furnishings.** The sale of soft furnishings is strictly regulated by statute law in the interests of fire safety. Goods found to infringe safety regulations will not be offered and must be removed at your expense. We reserve the right to dispose of unsafe goods as refuse, at your expense. The rights of disposal referred to in clause 8 and 9 are subject to the provisions of The Torts (Interference with Goods) Act 1977, Schedule 1, a copy of which is available for inspection on request.
 10. **Descriptions.** Please assist us with accurate information as to the provenance etc. of goods where this is relevant. There is strict liability for the accuracy of descriptions under modern consumer legislation and in some circumstances responsibility lies with sellers if inaccuracies occur. We will assume that you have approved the catalogue description of your lots unless informed to the contrary. Where we are obliged to return the price to the buyer when the lot is a deliberate forgery under Condition 15 of the Conditions of Sale and we have accounted to you for the proceeds of sale you agree to reimburse us the sale proceeds. The liability to reimburse the sale proceeds shall not arise where you are acting reasonably and honestly and are unaware of the forgery but we are or ought to have been aware of it.
 11. **Unsold and withdrawn items.** If an item is unsold it may with your consent be re-offered at a future sale. Where in our opinion an item is unsaleable you must collect such items from the saleroom promptly on being so informed. Otherwise, storage charges may be incurred. We reserve the right to charge for storage in these circumstances at a reasonable daily rate.
 12. **Withdrawn and bought in items.** These are liable to incur a charge of up to 10% plus VAT of the reserve or low estimate on being bought in or withdrawn after being catalogued.

13. Conditions of Sale. You agree that all goods will be sold on our Conditions of Sale. In particular you undertake that you have the right to sell the goods either as owner or agent for the owner. You undertake to compensate us and any buyer or third party for all losses liabilities and expenses incurred in respect of and as a result of any breach of this undertaking.

14. Authority to deduct commission and expenses and retain premium and interest.

- (a) You authorise us to deduct commission at the stated rate and all expenses incurred for your account from the hammer price and consent to our right to retain beneficially the premium paid by the buyer in accordance with our Conditions of Sale and any interest earned on the sale proceeds until the date of settlement.
- (b) You authorise us in our discretion to negotiate a sale by private treaty not later than the close of business on the day of the sale in the case of lots unsold at auction, in which case the same charges will be payable as if such lots had been sold at auction and so far as appropriate these terms apply.

15. Warehousing. We disclaim all liability for goods delivered to our saleroom without sufficient sale instructions and reserve the right to make minimum warehousing charge of £2 per lot per day. Unsold lots are subject to the same charges if you do not remove them within a reasonable time of notification. If not removed within three weeks we reserve the right to sell them and defray charges from any net proceeds of sale or at your expense to consign them to the local authority for disposal.

16. Settlement. Subject to our normal trading conditions, payment will be made by BACS or cheque 5 weeks after the sale unless the buyer has not paid for the goods. In this case no settlement will then be made but we will take your instructions in the light of our Conditions of Sale. You authorise any sums owed by you to us on other transactions to be deducted from the sale proceeds. You must note the liability to reimburse the proceeds of sale to us as under the circumstances provided for in Condition 10 above. You should therefore bear this potential liability in mind before parting with the proceeds of sale until the expiry of 28 days from the date of sale.

- (b) Any payments by you to us may be applied by us towards any sums owing from you to us on any account whatever without regard to any directions of you or your agent, whether express or implied.
- (c) In line with new legislation we reserve the right to investigate and identify the source of any funds received by us. The completion of the sale of a Lot will be postponed or cancelled at our discretion if further time is needed for investigation, or if you are in breach of your warranties as a buyer, or if we consider the sale to be unlawful or in any way cause liabilities or be detrimental to either Woolley and Wallis or the Seller.

7. TITLE AND COLLECTION OF PURCHASES

- (a) The ownership of any Lots purchased shall not pass to you until you have made payment in full to us of the total amount due.
- (b) You shall at your own risk and expense collect any lots that you have purchased and paid for from our premises not later than 3 working days following the day of the auction **or upon the clearance of any cheque used for payment** (if later) after which you shall be responsible for any collection, storage and insurance charges.
- (c) No purchase may be collected and we shall not release any lot to you or your agent until it has been paid for.

8. REMEDIES FOR NON-PAYMENT OR FAILURE TO COLLECT PURCHASES

- (a) If any Lot is not paid for in full and taken away in accordance with these Conditions or if there is any other breach of these Conditions, we, as agent for the seller and on our own behalf, shall at our absolute discretion and without prejudice to any other rights we may have, be entitled to exercise one or more of the following rights and remedies:
 - (i) to proceed against you for damages for breach of contract;
 - (ii) to rescind the sale of that lot and/or any other lots sold by us to you;
 - (iii) to resell the lot (by auction or private treaty) in which case you shall be responsible for any resulting deficiency in the total amount due (after crediting any part payment and adding any resale costs). Any surplus so arising shall belong to the seller;
 - (iv) to remove, store and insure the lot at your expense and, in the case of storage, either at our premises or elsewhere;
 - (v) to charge interest at a rate not exceeding 1.5% per month on the total amount due to the extent it remains unpaid for more than 3 working days after the sale;
 - (vi) to retain that or any other lot sold to you until you pay the total amount due;
 - (vii) to reject or ignore bids from you or your agent at future auctions or to impose conditions before any such bids shall be accepted;
 - (viii) to apply any proceeds of sale of other Lots due or in future becoming due to you towards the settlement of the total amount due and to exercise a lien (that is a right to retain possession of any of your property in our possession for any purpose until the debt due is satisfied).
- (b) We shall, as agent for the seller and on our own behalf pursue these rights and remedies only so far as is reasonable to make appropriate recovery in respect of breach of these conditions

9. THIRD PARTY LIABILITY

All members of the public on our premises are there at their own risk and must note the lay-out of the accommodation and security arrangements. Accordingly neither the auctioneer nor our employees or agents shall incur liability for death or personal injury (except as required by law by reason of our negligence) or similarly for the safety of the property of persons visiting prior to or at a sale.

10. COMMISSION BIDS

Whilst prospective buyers are strongly advised to attend the auction and are always responsible for any decision to bid for a particular lot and shall be assumed to have carefully inspected and satisfied themselves as to its condition, we will if so instructed clearly and in writing execute bids on their behalf. Neither the auctioneer nor our employees or agents shall be responsible for any failure to do so save where such failure is unreasonable. Where two or more commission bids at the same level are recorded we reserve the right in our absolute discretion to prefer the first bid so made.

11. WARRANTY OF TITLE AND AVAILABILITY

The seller warrants to the auctioneer and you that the seller is the true owner of the property consigned or is properly authorised by the true owner to consign it for sale and is able to transfer good and marketable title to the property free from any third party claims.

12. AGENCY

The auctioneer normally acts as agent only and disclaims any responsibility for default by sellers or buyers.

13. TERMS OF SALE

The seller acknowledges that lots are sold subject to the stipulations of these Conditions in their entirety and on the Terms of Consignment as notified to the consignor at the time of the entry of the lot.

14. DESCRIPTIONS AND CONDITION

- (a) Whilst we seek to describe lots accurately, it may be impractical for us to carry out exhaustive due diligence on each lot. Prospective buyers are given ample opportunities to view and inspect before any sale and they (and any independent experts on their behalf) must satisfy themselves as to the accuracy of any description applied to a lot. Prospective buyers also bid on the understanding that, inevitably, representations or statements by us as to authorship, genuineness, origin, date, age, provenance, condition or estimated selling price involve matters of opinion. We undertake that any such opinion shall be honestly and reasonably held and accept liability for opinions given negligently or fraudulently. Subject to the foregoing neither we the auctioneer nor our employees or agents nor the seller accept liability for the correctness of such opinions and all conditions and warranties, whether relating to description, condition or quality of lots, express, implied or statutory, are hereby excluded. This Condition is subject to the next following Condition concerning deliberate forgeries and applies save as provided for in paragraph 6 'information to buyers'.
- (b) Private treaty sales made under these Conditions are deemed to be sales by auction for purposes of consumer legislation.

15. FORGERIES

Notwithstanding the preceding Condition, any lot which proves to be a deliberate forgery (as defined) may be returned to us by you within 21 days of the auction provided it is in the same condition as when bought, and is accompanied by particulars identifying it from the relevant catalogue description and a written statement of defects. If we are satisfied from the evidence presented that the lot is a deliberate forgery we shall refund the money paid by you for the lot including any buyer's premium provided that (1) if the catalogue description reflected the accepted view of scholars and experts as at the date of sale or (2) you personally are not able to transfer a good and marketable title to us, you shall have no rights under this condition. The right of return provided by this Condition is additional to any right or remedy provided by law or by these Conditions of Sale.

GENERAL

16. We shall have the right at our discretion, to refuse admission to our premises or attendance at our auctions by any person.
17. (a) Any right to compensation for losses liabilities and expenses incurred in respect of and as a result of any breach of these Conditions and any exclusions provided by them shall be available to the seller and/or the auctioneer as appropriate.
- (b) Such rights and exclusions shall extend to and be deemed to be for the benefit of employees and agents of the seller and/or the auctioneer who may themselves enforce them.
18. Any notice to any buyer, seller, bidder or viewer may be given by first class mail or Swiftmail in which case it shall be deemed to have been received by the addressee 48 hours after posting.
19. Special terms may be used in catalogue descriptions of particular classes of items in which case the descriptions must be interpreted in accordance with any glossary appearing in the catalogue.
20. Any indulgence extended to bidders buyers or sellers by us notwithstanding the strict terms of these Conditions or of the Terms of Consignment shall affect the position at the relevant time only and in respect of that particular concession only; in all other respects these Conditions shall be construed as having full force and effect.
21. English law applies to the interpretation of these Conditions.

22. Prior written consent must be sought by the buyer or any other party for the use of any images, illustrations and written materials produced by or for Woolley & Wallis relating to a lot or sale, including the contents of a catalogue. Copyright for any of the aforementioned will remain the property of Woolley & Wallis, subject to the provisions of the Copyright, Designs and Patents Act 1988. Woolley & Wallis and the seller make no representations or warranties that the buyer of a lot will acquire any copyright or other reproduction rights to it.

- (b) Attributed to Edward Lear: In our opinion probably a work by the artist but less certainly as to authorship is expressed than in the preceding category.
- (c) Studio of Edward Lear: In our opinion a work by an unknown hand in the studio of the artist which may be or may not have been executed under the artist's direction.
- (d) Circle of Edward Lear: In our opinion a work by an as yet unidentified but distinct hand, closely associated with the named artist but not necessarily his pupil.
- (e) Style of ...; Follower of Edward Lear: In our opinion a work by a painter working in the artist's style, contemporary or nearly contemporary, but not necessarily his pupil.

- (h) The term signed and/or dated and/or inscribed means that in our opinion the signature and/or date and/or inscription are from the hand of the artist.
- (i) The term bears a signature and/or date and/or inscription means that in our opinion the signature and/or date and/or inscription have been added by another hand.
- (j) Dimensions are given height before width.
- (k) Pictures are framed unless otherwise stated.

BOOK AUCTIONS

If, on collation, any named item in this catalogue proves defective in text or illustration, the lot may be returned within 14 days of the sale with the defects stated in writing. This proviso shall not apply to defects stated in the catalogue or announced at the time of sale; nor to the absence of blanks, half titles, tissue guards or advertisements, damage in respect of bindings, stains, spotting, marginal tears or other defects not affecting completeness of text or illustration; nor to drawings, autographs, letters or manuscripts, signed photographs, music, atlases, maps or periodicals; nor to books not identified by title; nor to books sold not subject to return.

ARTIST'S RESALE RIGHT / DROIT DE SUITE

Droit de Suite is a royalty payable to a qualifying artist or the artist's heirs each time a work is resold during the artist's lifetime and up to a period of 70 years after the artist's death.

Royalties are calculated on a sliding percentage scale based on the hammer price excluding the buyer's premium. The royalty does not apply to lots selling below the sterling equivalent of €1,000 and the maximum royalty payable on any single lot is the sterling equivalent of €10,000.

Droit de Suite, which is not subject to VAT, will be added to the buyer's purchase price and then passed on to the relevant collecting agency by the auctioneer.

Please enquire for the accepted exchange rate on the day of the sale.

Royalties for Droit de Suite are as follows:

4% Up to €50,000
3% €50,000.01 - 200,000
1% €200,000.01 - 350,000
0.5% €350,000.01 - 500,000
0.25% In excess of €500,000
Up to a maximum levy of €10,000

Lots marked with a ‡ symbol are potentially subject to the levy.

VALUATIONS

Valuations are a core part of our business and are usually carried out by a senior specialist or directors. Accuracy, speed and above all confidentiality are paramount.

INSURANCE VALUATIONS

Written valuations for insurance can vary from a single item to a large estate. Before starting we discuss the various options available so that the valuation is specifically tailored to individual client's needs.

For valuations of an entire house contents an itemised bound valuation is produced and can be accompanied by photographs when required. In addition to providing an inventory, written valuations can prevent painful arguments with a loss adjuster in the event of a claim.

Woolley & Wallis valuations are accepted by all leading insurance companies.

PROBATE VALUATIONS

We offer a speedy and professional service for executors and trustees and provide bound valuations for probate and duplicate copies when required. Since security is often a consideration, we can usually arrange for a house to be cleared and sent for auction, our Valuations Department ensures that executors are informed of which sales are involved and the results thereof.

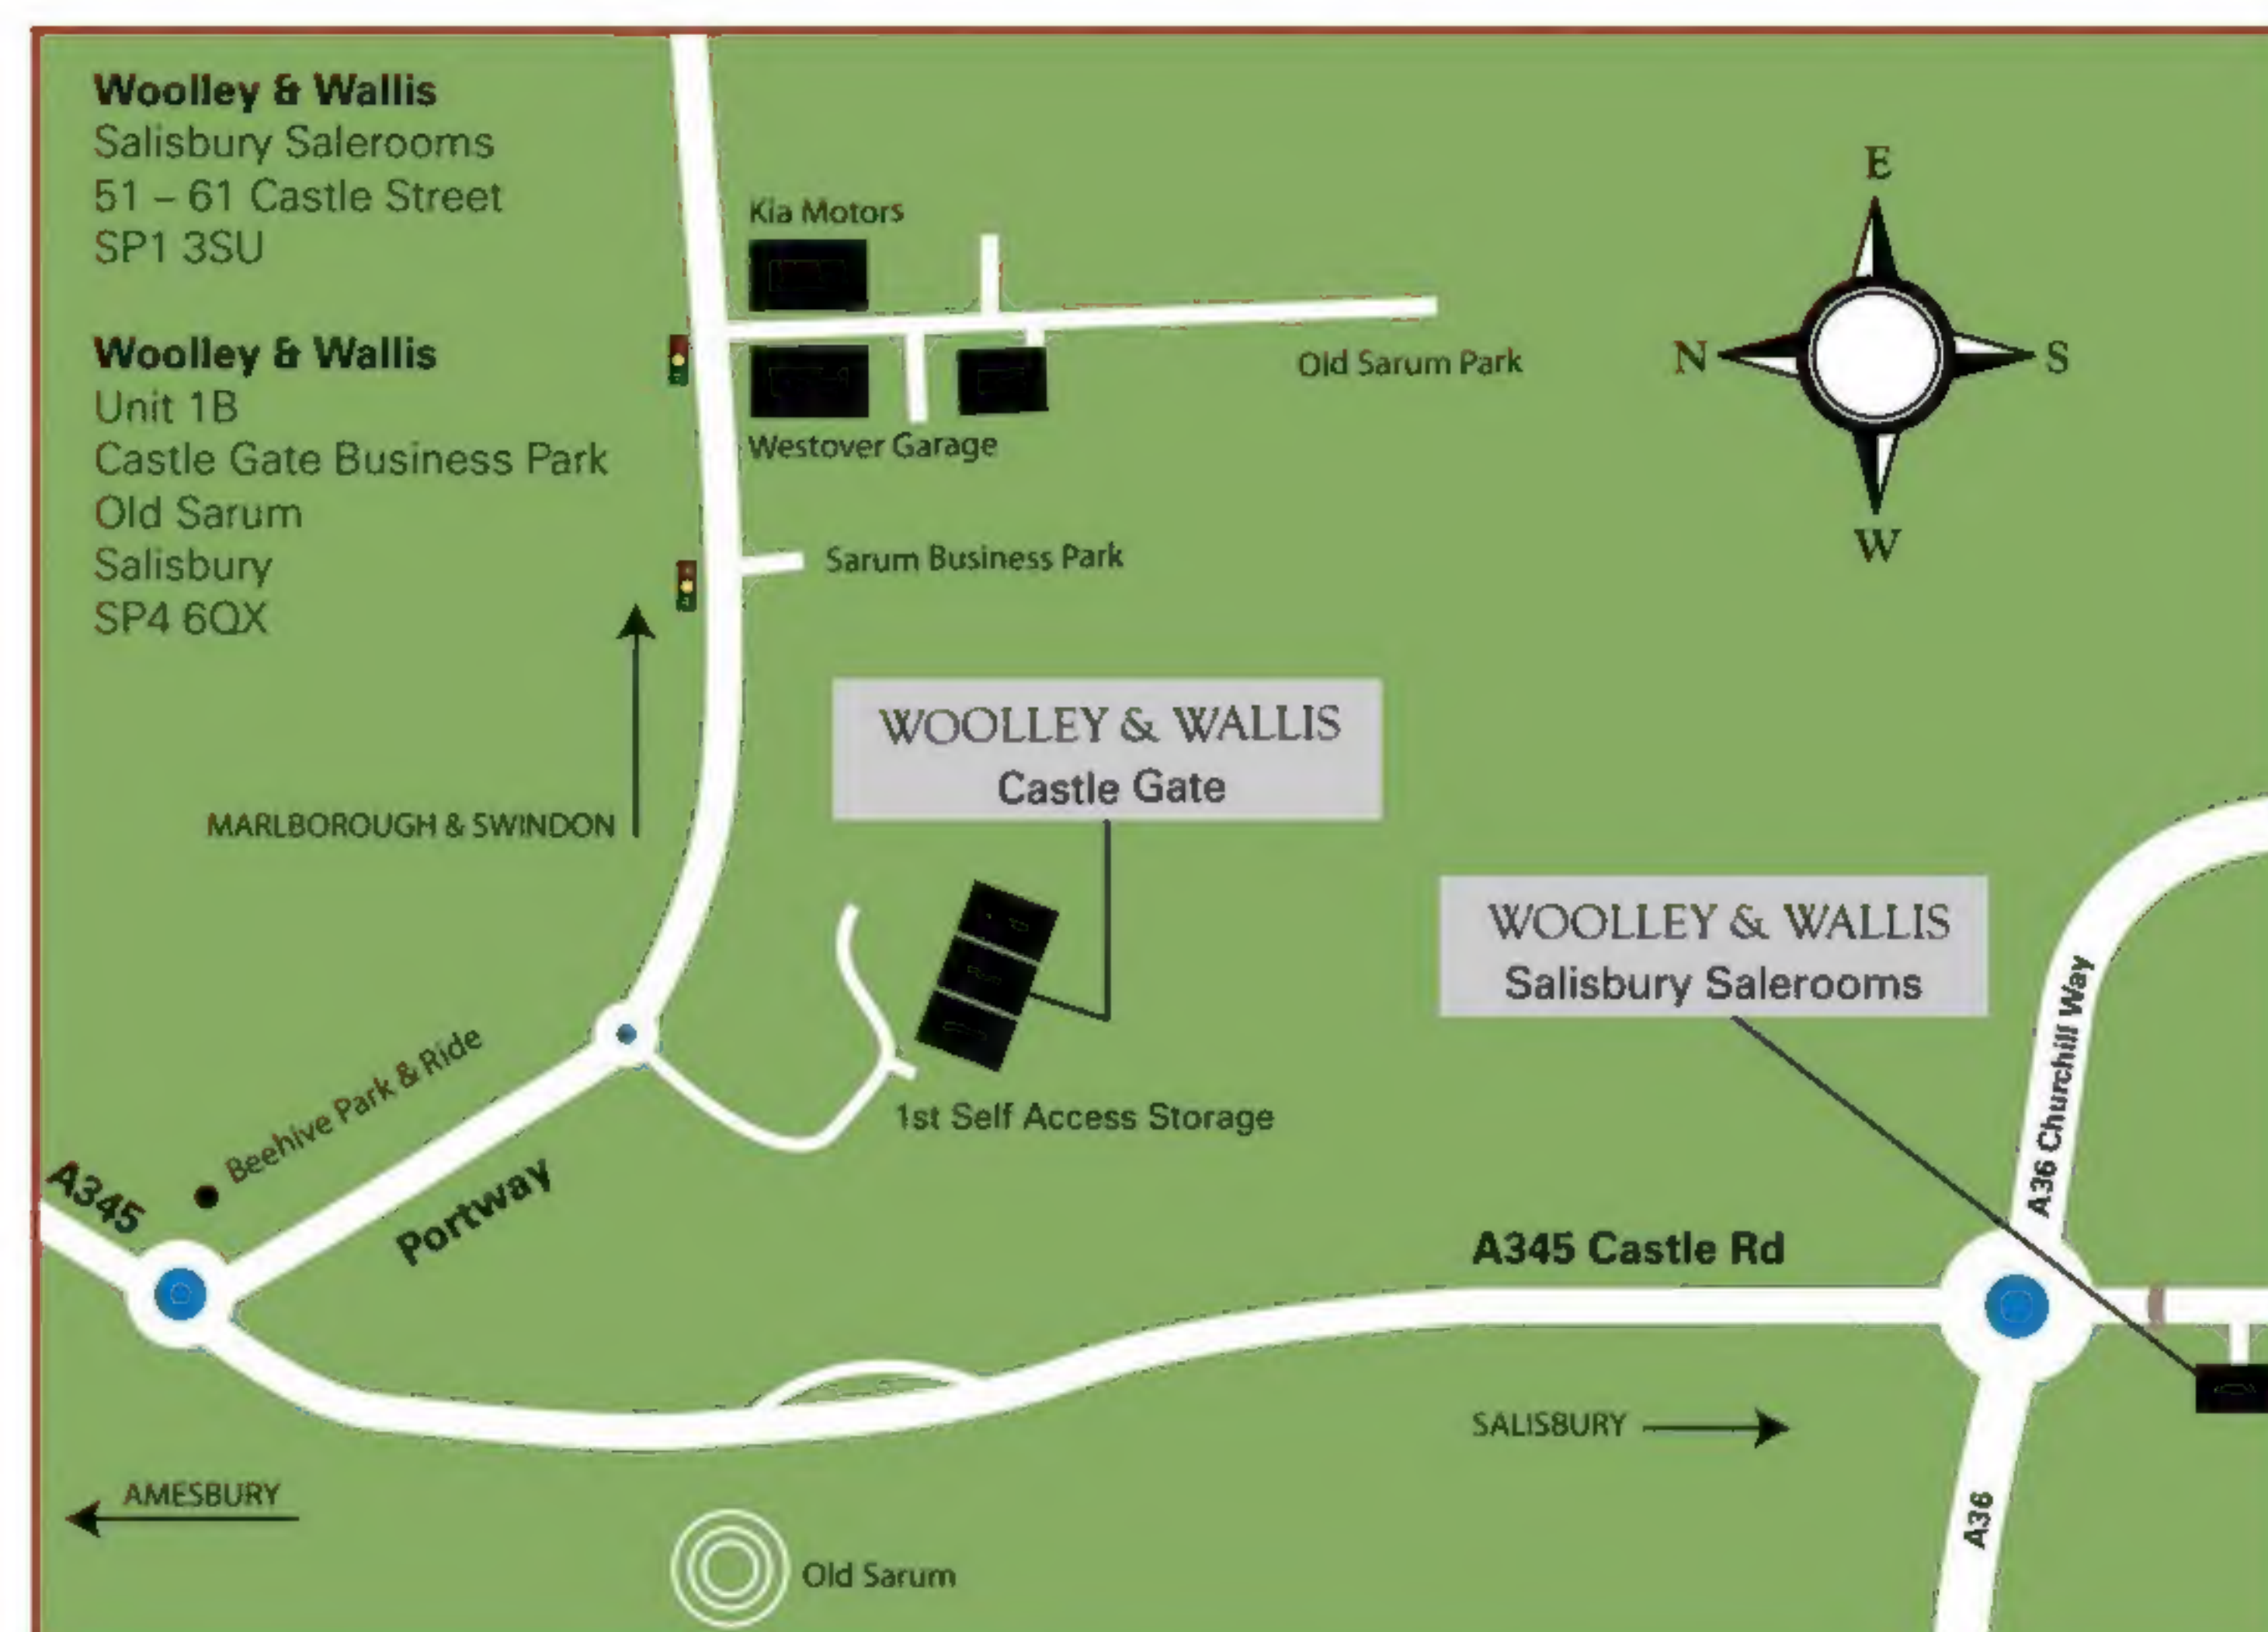

We also carry out valuations for Family Division, Capital Gains Tax, and Private Treaty Sales.
